Subject: Screen shot of the flight costs breakdown

Travelocity does not separate the costs when you book hotel and flight together. The hotel may give us a receipt the has the hotel portion info on it at the end of our stay, but the agent I spoke with at Travelocity wasn't sure. Here is a screen shot of our flights with the breakdown (it appears when you book flight only), that I booked earlier today.

Note: IHI's room block is at the Omni Shoreham

Hotel. IHI block rates are rarely (if ever) under \$350CAD,

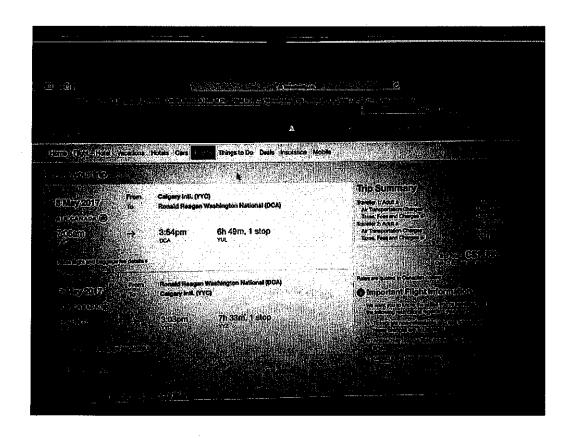

so we explore discount sites. (see attached).
